### Positive characteristics or strengths of the course/instructor

Very nice and created a welcoming environment

- understanding -effective communicator - understanding - caring

Loved this class! Professor Noor was very helpful to each and everyone of us during the in class and remote learning portion. She helped me a lot with revising my projects/papers and always emailed back fast. She went above and beyond for us and it really showed.

### Criticisms concerning the course/instructor

none

### Additional comments and suggestions

Professor Noor will be one of my favorites of my college career. As my lab professor of my research methods class, even while classes were moved online, she consistently showed her concern for her students.

more activities (I know it might be hard given the time crunch)
